

## Cee-Bee<sup>®</sup> A-18 Antibacterial Galley Wipes

Cee-Bee<sup>®</sup> A-18 Antibacterial Galley Wipes are impregnated with a synergistic blend of bactericides, surfactants and alcohol. They provide an ideal way of sanitizing where the use of a liquid is impractical.

### Conforms To

- Airbus
  - AMM Task 38-31-00-100-006
  - CML 11-017
  - CML 14-008
  - Product Code: 862100
- AMS
  - AMS 1550B
- Boeing
  - DPM 5216

### Use Procedure

In order to improve the keeping quality of fresh foods, the need to sanitize food operation surfaces or equipment during a production run is very important. Cee-Bee<sup>®</sup> A-18 Antibacterial Galley Wipes provide the ideal means to achieve this sanitization with the minimum or disruption to production.

One Cee-Bee<sup>®</sup> Disinfectant Wipe is normally enough to sanitize several square meters. If, however, the surfaces to be sanitized are heavily soiled, the area that can be sanitized is correspondingly smaller.

The sanitizing agents in Cee-Bee<sup>®</sup> A-18 Antibacterial Galley Wipes were found to be effective against a wide range of organisms.

### Safety, Handling, and Precautions

- Before using your Cee-Bee<sup>®</sup> products, all safety and operating instructions should be read and understood. If you have any questions, please contact your Cee-Bee<sup>®</sup> representative before proceeding.
- Before using any of these products you must become completely familiar with the safety and hazard information contained in our material safety data sheets.
- **Use Biocides safely. Always read the label and the product information before use.**
